Supervisor Compton,

I am writing to ask that you vote for Debbie Arnold as vice-chair. Debbie is a person of sound character and decency who speaks and represents our county with respect and dignity. She listens and is respectful to all her fellow citizens, not just those who have supported her during election time. It is time that she have the opportunity to serve in a leadership role. I do not approve of what looks like male "good old boys" running the board. Can you just do the right thing without the nod of Bruce Gibson, Adam Hill and Frank Mecham?

Supervisor Compton,

I write today to urge you to support Debbie Arnold as Vice-Chair on the Board when your re-vote is taken. I hope you have had time to rethink your original vote of Adam Hill for Vice-Chair. For a myriad of reasons, which I know you are keenly aware, I do not believe Mr. Hill should be rewarded for past bad behavior. This "past" bad behavior includes the meeting of last week. And so it continues...

I was appalled to hear Mr. Hill insult the public speakers on January 13th of being "intimidating" to others that are afraid to come and speak to the Board. If anyone should be called "intimidating" in the Board hearing room, it would be Mr. Hill. Not to mention him accusing the speakers of "personally attacking him". I only heard people recounting Mr. Hill's own words and actions. These are not the qualities I want to see in a County Supervisor, let alone a Chair or Vice-Chair.

Ms. Arnold has done an excellent job as Supervisor. She stays informed, is always prepared, is courteous to the public (no matter which side they are on), and has earned the right NOT to be excluded from being elected Vice-Chair of this Board. She deserves her turn in the rotation.

As I told Chairman Mecham, "if she is not elected once again, it gives the appearance of 'the ol' boys network' trying to keep a woman from holding a leadership position on the Board" and was certain he wouldn't want to give that impression to the public. Of course, if the vote goes as it did last time, that gives a completely different impression.

For all of these reasons, I would ask you to support Debbie Arnold for the position of Vice-Chair. Thank you for your time.

Dear Supervisor Compton,  
Thank you so much for your vote yesterday to reconsider the January 5th election of Chair and Vice Chair. I am very supportive of Supervisor Frank Mecham chairing the board this year, however, I am also very supportive of Supervisor Debbie Arnold being elected Vice-Chair. Please vote for Debbie Arnold when this issue comes up again.

It was refreshing to see a different attitude in the Chambers of the Board of Supervisors yesterday!

Dear Mrs. Compton,

As a member of the public, I do not take it lightly when members of our Board of Supervisors take it upon themselves to violate something as fundamental as the Brown Act; as they did on January 5, 2015. The "Act" exists to preclude underhanded behavior, thus those caught in violation appear very guilty of exactly that, underhanded behavior! When only men are participating against an articulate, well prepared, well-qualified woman; who is a senior member of the Board of Supervisors; the "Act" has the very nasty appearance of discrimination.

The January 13, 2015 meeting provided for setting the re-vote on February 3, 2015.

It is my hope that you will consider Debbie Arnold as your Vice-Chairperson when you vote on February 3, 2015. She is an articulate, well-prepared, well-qualified, senior member of the Board of Supervisors. I believe, that she has and will continue to serve the people of San Luis Obispo County to the best of her ability.

Most Sincerely,  
Sherry G. Root

Dear Mr. Mecham,

I reside in your district and am also a member of the RPSLO Central Committee. I ask that you support and vote for Debbie Arnold for vice-chairman. Adam Hill has a long history of embarrassing the BoS and the entire County with his various shenanigans, be it the "black face" foolishness a few years ago or his weird actions in his last campaign or the numerous other instances in which he has acted before thinking. Even many liberals in this County (e.g. Dave Congalton) believe that Adam Hill is not a credit to the BoS just in his capacity a regular member, let alone in the position of vice-chairman. Finally, there is no reason to "play nice" with Adam Hill, especially in light of his repeated lack of respect shown especially to members of the public during the public comment part of the BoD meeting.

Best regards,  
Chris Arend

Dear Supervisor Compton:

The violation of the Brown Act regarding selection of the Vice Chairperson of the Board of Supervisors has come to my attention. I am aware you will be accepting public comment on this matter at your February 3, 2015 meeting to rectify the mistake made. Unfortunately, I am unable to attend the February 3rd meeting so I am writing to you to urge you to vote for Debbie Arnold as Vice Chairperson of the Board of Supervisors. Ms. Arnold has not served as Vice Chairperson and is eminently qualified to do so. I feel she is a far better candidate for this position than Adam Hill who has demonstrated many less than desirable qualities as a member of the Board of Supervisors. One example of this is an article/letter he wrote that was published in the "New Times" newspaper that clearly illustrates his disdain for citizens who do not agree with his position on issues. We don't need a person like that in a position of greater responsibility on the Board. If Mr. Hill's constituents continue to reelect him we have no choice but to deal with him but he should not be elevated to Vice Chairperson in my opinion. Ms. Arnold, on the other hand, has shown that she is an involved, temperate and committed member of the Board. Since she has not yet served as Vice Chairperson, I feel she should be provided this opportunity.

Thank you for considering my point of view.

Sincerely,

Dear Mr. Mecham and Ms. Compton ...

This is a request that you vote for Debbie Arnold for Vice-Chairman of the Board of County Supervisors. She has earned that right by her service to her constituents in District 5. It would be an affront to Ms. Arnold and her constituents to deny her a seat that she has earned and deserves.

I hold no brief against Adam Hill.

I have praised and thanked Mr. Hill for his initiative and leadership in support of WW II Veterans honored at the WW II Veterans Tribute last October. He and Assemblyman Katcho Achadjian took the initiative to provide each WW II Veteran a personalized *Certificate of Recognition* signed by the standing Supervisors at that time. Adam Hill's, Lynn Compton's and Debbie Arnold's attendance at the event were publically acknowledged and praised.

This appeal is not a partisan matter but a reflection of the realities of the political make-up of the Board, respect for Ms. Arnold's hard work for her constituents and her right to that seat at this time.

I respectfully request that you vote for Debbie Arnold for Vice Chairman of the San Luis Obispo County Board of Supervisors

Hi Frank and Lynn,

Pardon the informal greeting but I think of both of you as my friend. In Frank's case also as my past colleague.

**Please both vote for Debbie Arnold as the new Vice Chairman of the Board of Supervisors.**

Not only has Debbie "paid her dues" in other words is due for the position but frankly I think it makes political sense.

Where would the United States be if the President was of one party and the Vice President of a different party? It doesn't make sense.

There's a follow thru in agendas that only comes when both positions are occupied with people holding compatible principles and goals. Neither Mr Gibson nor Mr Hill share compatible principles with the majority on the board.

Frankly. if self serving goals could be put aside I think even Mr. Hill would agree that Debbie deserves and has earned the right to be Vice Chairman.

Thanks for reading my request.

Subject: Debbie Arnold for Vice-Chair

Supervisors Meacham and Compton,

I have been a past supporter of you both and I'm hoping that you will do the right thing on February 3.

Mr. Hill has been a supervisor long enough to know the rules of the Brown Act. His dispectable behavior has gone to far.

Actually, he should be asked to step down or some kind of punishment for his and Gibson's unlawful actions. Therefore, Supervisor Debbie Arnold as the only senior member on the current board who has **not** served as Vice-Chair and/or Chair, and in all fairness, should be the Vice-Chair. I know that there is now another chance to elect her Vice-Chair for 2015 due to the re-vote for the reorganization. I'm unable to attend this meeting on Tuesday, February 3. I would like to thank you for doing the right thing and voting for another re-vote. Most importantly, I want to thank you in advance for your vote for Supervisor Arnold for Vice-Chair.
